

ADMISSIONS

Admission to the College is through an examination which is ongoing. Admission is granted in order of application, and the college maintains a waiting list once capacity is reached. A large portion of the JSS 1 slots are offered on merit but care is taken to ensure that all states in the country are represented. Students are generally expected to have attained the age of 10 by September of their first year. Please note that Adesoye College admits into J.S.S1 as well as into midstream of J.S.S 2 & S. S1.

Kindly visit <http://adesoyecollege.org/admission-info.php> for admission procedure, specific test dates and test center locations.

ABOUT US

Adesoye College is a non-profit making educational college founded by Chief E.O. Adesoye in January, 1987 to educate boys and girls from all states of Nigeria as well as from overseas whose parents

want to have the best kind of upbringing for them. With this complement of students, the school is striving to achieve an international character. The College provides a science-oriented education and encourages a wide range of interests within a disciplined framework.

The College is 1.5km from Offa town, 65km from Ilorin and 45km from Osogbo. The school site has a total of about 300 acres on high ground in the most exclusive area of Offa with a beautiful landscape. The surrounding country offers a lot to those interested in natural history and archaeology.
