Greetings From – Head of School(AC).

Greetings Adesoye College parents! January has been an exciting month.

We thank God for the newly released results of **2020 NECO SSCE examinations**. Our students triumphed with considerably more increase in our examination scores than the marks earned by the last set. The results' analysis shows that our students got an average of 88.5% distinction and a credit pass in Mathematics. This area has been of utmost concern to the Adesoye College family and retained the excellent performance they have been getting in other subjects. For results analysis, kindly visit <https://adesoyecollege.org/result-analysis>

Our students returned to school rested and are ready to excel in their educational endeavours. As we resume for the second term, topmost on our priority is our desire to deliver on the best educational practices through discipline. While teachers collaborate to ensure alignment across all content areas, they are also providing the necessary coach classes for students needing extra academic support. Additionally, those students performing well will continue to receive extended learning opportunities. To this end, our teachers have provided the work scheme, based on the College's curriculum for all the students to serve as study guides. We encourage our parents to visit our website to download the curriculum to monitor their ward's progress(es).

We assure our esteemed parents that we shall continue to uphold our policy of no shortcuts and no half measures until every student achieves excellence. Our end of first term examination commenced as scheduled, and our students' attitude towards their examination was impressive. **Please enjoy our February Newsletter!**

ADESOYE COLLEGE ENROLMENT – 2021/2022

As we continue to move forward with Adesoye College enrolment, we invite you to work with us in this effort. Our academic achievements attracted many of our current students to us because someone recommended us to them. We are actively engaged in our recruiting efforts for the **2021/2022** academic session, and our entrance examination will come up on the 20th of February 2021 in all our exam centres. If you know of students who would like to join A.C.O., kindly share the good news about who we are with their parents by directing them to visit our website www.adesoyecollege.org or call **08091030012 / 08037646837**. Adesoye College Offa is the place to be!

ADESOYE ACADEMICS

The academic year is progressing steadily. We seek to finish the year in high spirits, with positive outcomes, by encouraging and motivating our students to believe in their ability to improve and excel in their academics and other constructive tasks.

First-term results and the academic calendar for **2020/2021** session can be accessed and viewed by visiting the school's website www.adesoyecollege.org.

Academic Coach Classes

BRICK CITY's BEST

To prepare our **Classes 3 and 6** students for their external examinations, the school has organized extra contacts with their various subject teachers for intensive and personalized tutorials.

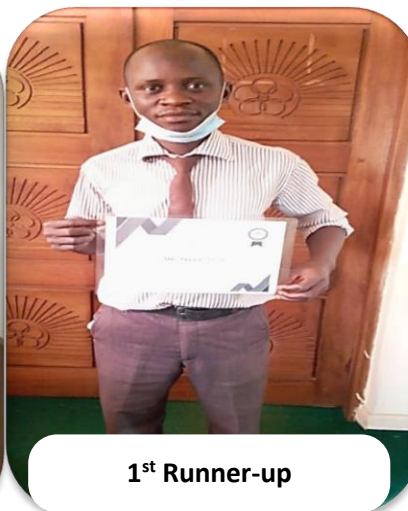

They will also have constant weekend tests in Mathematics and other subjects to better prepare them for their forthcoming examinations. Other classes too are engaged in weekend coaching classes as they need

#END BULLYING & SPEAK OUT CAMPAIGN!

As earlier mentioned in our newsletters' previous issues, the entire student body and school actively discourage and stand against bullying in Adesoye College.

The #EndBullying and #SpeakOut campaigns will continue to run for as long as necessary to eradicate the menace among our students completely.
