OUR VISION: To Be a World Class Learning Institution

Greetings From – Ac. Head of School.

Greetings, Adesoye College Parents and Guardians!

As we gradually come to the end of the school year, we would like to appreciate our dear parents once again for the support you have given to your children and the school during these unprecedented times. It has been a great year by all measures for the College. You will be amazed at how much your wards have grown. Thank you for your love and support in all that we do. The month of July is quite a busy month of academic work and extracurricular activities for our students. The cultural Arts Festival never fails to be one of the most vibrant and exciting events at Adesoye College Offa. We Thank God the Almighty for successfully hosting the Arts Festival for this year.

As part of our programmes to wind down the term, classes 1, 2 and 4 students have completed their 2nd CAT and are preparing for the end of session examination, which will hold between 10th and 15th July. Class 5 students have completed their mock examination, and final preparation for NECO SSCE is in full throttle. During this final stage of revision, the students will have one-on-one coaching with individual teachers. While we appreciate the students for making sacrifices and putting their noses close to the work and getting it done, we salute our teachers for going beyond the call of duty to prepare the students for all their examinations. The Class 6 students currently on a short break are expected to return on 24th July for the final preparations for WASSCE.

The College will resume for the 2021/2022 session on Saturday, 18th September 2021. Classes 2 through 6 will be expected to be on campus on that Saturday. Classes will begin on Monday 20th September 2021. All new intakes will arrive at the campus a week earlier, on the 11th September, for a week of orientation.

Please, keep in mind that we are in the middle of our student recruitment and enrolment period. We are still accepting applications for that set, and the College accepts mid-stream students for JSS2, SS1 and SS2. If you know of great scholars and outstanding families who would benefit from the Adesoye College experience, we would love to have them join us. We are all marketers for the College. Please enjoy our July Newsletter!

As the session draws to a close, we encourage our parents to pay their outstanding SCHOOL FEES. This would facilitate hitch-free running of academic activities in the school.

REMINDER: School fees are essential in providing a world-class education to our students.

ADESOYE COLLEGE ENROLMENT 2021/2022 ACADEMIC SESSION

As we continue to move forward with enrolment at Adesoye College, we invite you to work with us in this effort. Our academic achievements attracted many of our current students to us because someone recommended us to them. We are actively engaged in our recruiting efforts for the 2021/2022 academic session, and our next entrance examination will come up on **Saturday, July 24th, 2021** in all our exam centres.

If you know of students who would like to join ACO, please share the good news about who we are with their parents by directing them to visit our website

www.adesoyecollege.org or call 08091030012 / 08037646837.

Adesoye College Offa is the place to be!

As academic activities progress, we take responsibility to ensure that the safety and comfort of our staff and students are guaranteed.

That is why visiting dates are scheduled in advance for our parents to visit their children/wards. In any case of impromptu visits or pick-ups of our students during the course of an academic term, a notification has to be sent a week prior the event. This is PARAMOUNT to the approval of an early exit for any student.

Mock NECO has been concluded and the actual examinations commenced on 5th July, 2021. CAT 2 has been concluded and the results are online.

End of session examinations will hold between 10th and 15th July, 2021 and the results will be online as from 30th July.

The results of 2019 and 2020 DELF are out. The certificates of those whomerit them will be included in the envelopes they take home from the school at the end of the session.

TO CHECK STUDENT'S RESULT ONLINE

- * Visit www.adesoyecollege.org
- * Click on check result on the menu bar.
- * Type in Student's Admission Number for username and Password. For Example:

Username: 110011

Password: 110011

Where 110011 is the student's admission number.

Note: You can change your password after logging in.

COVID-19 PANDEMIC: THE SECOND WAVE

We will continue to uphold these safety guidelines as we transition through this Post-COVID19 period:

- * Provision of hand-washing facilities;
- * Promotion of the use of nose masks;
- * Conducting regular body temperature checks;
- * Decontamination of the school premises;
- * Ensuring maintenance of proper hygiene by all students;
- * Ensuring proper physical distancing in the hostels, classrooms, labs, etc.;
- * Provision of an isolation centre to accommodate any student showing signs and symptoms of any infectious disease apart from COVID-19 such as cough, chickenpox, measles, diarrhea, etc.
