Brochure

MESSAGE FROM THE

LEADERSHIP TEAM

Welcome to Adesoye College Offa and thank you for considering our school for your child's education. We are a unique boarding school with a purpose-built campus spanning thirty-five hectares in Offa, Kwara State, offering an ideal environment for learning and personal growth.

At Adesoye College Offa, our dedicated staff and enthusiastic students form a close-knit family, creating a modern and stimulating educational experience. We are committed to nurturing the global citizens and leaders of tomorrow, with high academic standards reflected in our outstanding IGCSE, WASSCE, SAT results and many more.

Our full boarding experience allows students to immerse themselves in a variety of co-curricular activities, both sporting and cultural, fostering lifelong interests and skills. Our boarding facilities are modeled on best practices worldwide, providing a safe and nurturing environment in smaller, homely residential units.

Leadership and community service are integral to our ethos, with students encouraged to take on leadership roles and contribute to the school community. These experiences build character and prepare them for future challenges.

While this prospectus offers a glimpse into life at Adesoye College Offa, we invite you to visit us to meet our dedicated staff and engaged students. Appointments can be easily arranged directly with the school.

We look forward to welcoming you and partnering with you in your child's education, ensuring they receive the best foundation for a bright and successful future.

Our Mission

Adesoye College is committed to equipping students with knowledge, skills and creativity through quality education, moral value and leadership development.

Our Vision

To become a world class learning institution

The college is a private boarding school that runs the National Junior and Senior Secondary programs for boys and girls. The school was established in January 1987.
Our students routinely place among the highest scores in all National and International Examinaitons.

Adesoye College serves the educational needs of your child, located on approximately 300 acres of high ground in the most exclusive area of Offa. The surrounding offers a lot to those interested in natural history and archealogy.

Academics

Curriculum and Class

Our current academic program is organized on a 45/50 minute block schedule.
Our proficiency based learning and graduation policies ensure that our students are competitive on a global scale. We offer the West African, British and American curriculum.
All learning experience are academically rigorous.

From grade 8, students are prepared for various examinations both internally and externally. Such exams are: Checkpoint, BECE, WASSCE, SSCE, UTME, IGCSE, IELTS, ACT and SAT.
Our students may also earn business and accounting college credit through ACO's accrediated parternship with Silver Learning (ACCA) program.

Grading and Ranking

Grading are computed using an A through F system.
All subjects, whether passed or not are included in the weighed GPA computation.
Grades are accumulated over three terms, students are required to complete 150 hours of community service for graduation.

> **"From grade 8, students are prepared for .."**

Honor Roll Criteria

Honor awards are awarded at the end of each term based on the average % grades of classes.
ACO scholar = All A's Highest Honor Roll up to 7 A's 2 B's out of 9 possible A's.
ACO achiever = 5 A's 4 B's out of 9 possible A's.

Extracurricular Activities

At Adesoye College Offa, we believe that a well-rounded education extends beyond the classroom.

Our extensive extracurricular program is designed to nurture students' talents, foster personal growth, and encourage the development of a broad range of interests and skills. Here are some of the key extracurricular activities available to our students:

Sports and Athletics

Team Sports: Students have the opportunity to participate in a variety of team sports, including soccer, basketball, volleyball, and track. These activities promote teamwork, discipline, and physical fitness.

Sports Competitions: Our students regularly compete in inter-school and regional competitions, showcasing their skills and sportsmanship. These events provide valuable experience and a sense of school pride.

Arts and Culture

Music: We offer a comprehensive music program where students can learn to play various instruments, participate in the school band, and join the choir. Music lessons and performances help students develop their musical talents and appreciation for the arts.

Drama and Theatre: Our drama club provides students with opportunities to explore acting, scriptwriting, and stage management. Students can participate in school productions, enhancing their creativity and confidence.

Visual Arts: Through painting, drawing, sculpture, and photography, our visual arts program encourages students to express themselves creatively and develop their artistic skills.

Technology and Innovation

Robotics Club: Students interested in technology and engineering can join our robotics club, where they learn to design, build, and program robots. This hands-on experience fosters problem-solving skills and creativity.

Coding and Programming: Our coding club offers students the chance to learn various programming languages and develop software projects. This club prepares students for future careers in technology and enhances their computational thinking abilities.

Language and Communication

Debate and Public Speaking: Our debate and public speaking club helps students develop their argumentation skills,
confidence, and ability to communicate effectively. Participants engage in debates and public speaking events, enhancing their critical thinking and rhetorical skills.

Literary Club: Students with a passion for reading and writing can join the literary club, where they explore various genres, share their writings, and participate in
